The search for an Interim Minister for the 2016-17 church year is underway. On April 21st the Board of Trustees appointed the following members to serve on the Search Task Force: Kay Bishop (chair), Charlotte Hamlin, Jim Kalinowski, and Betsy Lindsey. UUCG's application for an Interim Minister has been submitted to the Transitions Office of the UUA which coordinates applications and matches with interested UU ministers. The Task Force will be reviewing the list of interested ministers submitted by the Transitions Office in the next two weeks and talking with UUCG staff. The IM Search Task Force is authorized to extend a one-year contract to the candidate who is the best match, renewable for a second year. It is anticipated that the interim minister will be selected within the next four weeks. The Interim Minister will assist the congregation in preparing to search for a Settled Minister.
